FLSH

Location-based Bathroom Reviews

Team Members: Zach Holbrook, Tarum Fraz, Devin siems, Elisabeth "Beth" Oliver, Brooke Dalton

Document Name: Sprint 3 Plan

Sprint 1 Completion Date: In Progress
Revision Number: 1.2
Revision Date: -

Goal

Our goal is to make flsh more customer friendly by working on front-end usability. We wish to implement a basic working web application.

Task Listing

Sprint 3 (23 story points)

1. As a user, I would like to prevent non-trusted people from seeing the resources I care about (3)
   a. Finish implementing user authentication by writing appropriate function (2)
   b. Test (1)
2. As a user, I would like to remove useless reviews and pins (3)
   a. Finish up work on pins and reviews (2)
   b. Clean up interface (1)
3. As a developer, I would like to see the server extended to non-bathroom public resources (8)
   a. Modify interface so user can submit more resourced (3)
   b. Modify back end to be able to handle more resources appropriately (5)
4. As a user, I need to filter which resources I am interested in (5)
   a. Create filter option on front end (2)
   b. Write functions to handle filtering (3)
